Novo Resources To Focus on Western Australia Projects

VANCOUVER, July 19, 2011 - **Novo Resources Corp.** (the “Company” or “Novo”) (CNSX: NVO) reports that it has terminated the agreement under which it held an option to acquire the Enterprise Property located in British Columbia in order to focus on projects in Western Australia. As reported in the Company’s news release of April 6, 2011, it has entered into a binding letter agreement with Millennium Minerals Ltd. (ASX: MOY) that provides the Company with the exclusive right to earn a 70% interest (as to gold and minerals associated with and normally mined with gold) in the tenements comprising certain mining leases covering the Beatons Creek conglomerates located in Western Australia. The Company is in the final stages of completing the farm-in agreement which will replace the binding letter agreement with Millennium Minerals Ltd.
